

# TechTOOLS Login Application Changes

## TechTOOLS Login Application Changes

Effective December 3, 2016 - due to the new FCA ICT security requirements, TechTOOLS will require to enter your DealerCONNECT login credentials in order to access the application.

The screenshot displays the DealerCONNECT web application interface. At the top, there is a navigation bar with links for Chrysler Capital, MarketCenter, eSupport, My Dealership, Admin, Business Center, and Marketing. A search bar is present, and the user's dealer information is shown as "Dealer: 99970". The main navigation menu includes HOME, SALES, SERVICE CONTRACTS, SERVICE, PARTS, CUSTOMER EXPERIENCE, NETWORK, and TRAINING. The breadcrumb trail indicates the user is in "DealerCONNECT > Service > Service Tools & Equipment > TechTOOLS".

### Launch TechTOOLS R10.01

A "Launch Application" button is visible on the page. A dialog box titled "TechTOOLS Application" is overlaid on the page, containing the following text:

Due to the new FCA ICT security requirements, you will be prompted to enter your DealerCONNECT login credentials to launch TechTOOLS Application. Please email [witechsupport@dcctools.com](mailto:witechsupport@dcctools.com) if you need further assistance in accessing TechTOOLS.

A "Proceed" button is located at the bottom of the dialog box.

If you see a popup dialog requesting permission to install and run a signed applet, you must grant permission by clicking "**Grant Always**" button for TechTOOLS to be installed.

The following window will appear when TechTOOLS is launched. Please enter your DealerCONNECT credentials to access the application.
